**BRIEFLY (1 or 2 Sentences) DESCRIBE THE POSITION'S ORGANIZATIONAL SETTING AND MAJOR FUNCTIONS**

Under the supervision of the Fire Chief, Lead Firefighter or Designee, the Fire Fighter will perform the full range of fire prevention, fire suppression and other assigned duties, tasks and responsibilities related to fire department functions.

<b>% OF TIME PERFORMING DUTIES</b>	<b>INDICATE THE DUTIES AND RESPONSIBILITIES ASSIGNED TO THE POSITION AND THE PERCENTAGE OF TIME SPENT ON EACH. GROUP RELATED TASKS UNDER THE SAME PERCENTAGE WITH THE HIGHEST PERCENTAGE FIRST; PERCENTAGE MUST TOTAL 100%. (Use additional sheet if necessary.)</b>
	<b>ESSENTIAL FUNCTIONS</b>
35%	<b>FIRE PREVENTION</b>  Participate in fire prevention inspections of all hospital grounds and buildings for fire hazards, target hazard identification, and life safety conditions. May be required to observe and participate in fire evacuation drills in certain areas of the hospital. Assist, monitor and participate with various contractors in the required inspection and testing of automatic fire sprinkler systems, fire alarm systems and fire extinguishers. Participation in other facility inspections may be required. Present Fire and Life Safety class to new employees providing an overview of all life safety measures of the facility and the responsibilities and duties of the fire department. Enforce rules and regulations related to State Fire Marshal, California Building Code, California Fire Code (Title 24), Public Safety (Title 19), Licensing (Title 22), Joint Commission, Hospital Administrative Directives, Policy Directives, National Fire Protection Association (NFPA) codes.
25%	<b>EMERGENCY RESPONSE/CALLS FOR SERVICE</b>  Respond to all emergency calls, other service related calls, take necessary action to prevent or minimize the loss of life, property and the environment. Calls for emergency and non-emergency may include; fire alarm activation; structure fires (commercial or residential), wildland fires, vehicle accidents or fires, hazardous material incidents, odor investigation, emergency medical services, water rescues, floods, building collapse, natural disasters and any other situations as they arise. Respond to the fire station for station coverage and/or additional response to emergency calls for service.
25%	<b>TRAINING</b>  Maintain the required certification for medical emergency services as required by the Department of State Hospitals (DSH) Fire Service Training Plan. This may include, but not limited to, a valid Cardiopulmonary Resuscitation (CPR), Auto External Defibrillation (AED), Emergency Medical Technician (EMT), Title 22 First Aid /Emergency Medical Responder (EMR) certification. Complete all required training issued by Office of Protective Services, Target Solutions training, and mandated training standards outlined in the DSH Fire Service Training Plan. Maintain current copies of all certifications and trainings and provide the assigned training officer copies of all training documents.

10%	<b>INTERPERSONAL RELATIONSHIPS</b>  Maintain open communication with all hospital disciplines. Maintain a high professional standard of performance and conduct consistent with Fire Department policies. Provide an overview to all new employees during New Employee Orientation.
10%	<b>OTHER</b>  Perform other Fire Fighter duties as required by Fire Chief.
Other Information	<b><u>KNOWLEDGE AND ABILITIES</u></b>  Ability to:  Learn and use modern fire prevention and suppression principles and techniques and fire-fighting tools and apparatus; learn to use and maintain motorized fire-fighting equipment; do heavy physical labor; follow oral and written directions; exercise good judgment in hazardous fire suppression activity; organize, instruct, and lead a group of part-time fire fighters in suppression and rescue work; write legibly; analyze situations accurately and take effective action; maintain cooperative relationships with people, organizations, and agencies.  <b><u>REQUIRED COMPETENCIES</u></b>  <b>INFECTION CONTROL</b> - Apply knowledge of correct methods for controlling the spread of pathogens appropriate to job class and assignment.  <b>SAFETY</b> - Actively support a safe and hazard free workplace through practice of personal safety and vigilance in the identification of safety or security hazards, including infection control. Will be required to wear an approved ballistic vest, as needed.  <b>FIRST RESPONDER/CPR/FIRST AID</b> - Maintain current certification.  <b>THERAPEUTIC STRATEGIES AND INTERVENTIONS</b> - Support a safe work environment; practice the strategies and interventions that promote a therapeutic milieu; apply and demonstrate knowledge of correct methods in the management of assaultive behavior.  <b>CULTURAL AWARENESS</b> - Demonstrate awareness to multicultural issues in the workplace, which enable the employees to work effectively.  <b>RELATIONSHIP SECURITY</b> - Demonstrate professional interactions with patients and maintain therapeutic boundaries. Maintain relationship security in the work area; take effective action and monitors, per policy, any suspected employee/patient boundary violations.  <b>RESPIRATORY PROTECTION/FIT</b> - Must demonstrate competency by passing a fit test prior to initial use, and annually thereafter. May be required to utilize respirators in the course of his/her job duties or under emergency circumstances. This requirement is implemented in order to ensure the health and safety of the employee.  <b>PATIENT RECOVERY</b> - Respect the worth and dignity of all persons and groups, as well as honor and advocate for individual rights and interests, and opposing discrimination.  <b>PRIVACY AND SECURITY OF PROTECTED HEALTH INFORMATION</b> - Maintains and safeguards the privacy and security of patients' protected health information (PHI) and other individually identifiable health information (IIHI) whether it is in paper, electronic, or verbal form in compliance with HIPAA and all other applicable privacy laws.

---
